1. (S) As you know, representatives from the Special Research Division (SRD) and Counterintelligence Division (CIPD) of ITAC have worked closely with your office in several important projects. We anticipate that ITAC will similarly task your office on future projects as it adds an interesting dimension to intelligence analysis.
2. (S) As a result of personnel reassignments, the new ITAC commander and Chief, CIPD need to be indoctrinated. Also, in line with your request to minimize unnecessary indoctrinations, I request that the SRD Operations Officer be indoctrinated. He can evaluate projects to determine whether access to your program is necessary for an individual analyst. These individuals are:
